

Docket No. 501.42822X00
Serial No.10/618,748
Office Action dated April 23, 2007

REMARKS

By the present Amendment, claims 4-7, 13, and 14 have been cancelled. No claims have been added or amended. Accordingly, claims 1, 2, and 8-12 remain pending in the application.

In the Office Action of April 23, 2007, claims 4-7, 13, and 14 were objected to as being directed to a non-elected invention. The Examiner further indicated that all claims drawn to the elected invention were otherwise in condition for allowance.

By the present Amendment, claims 4-7, 13, and 14 have been cancelled. Accordingly, all remaining claims are drawn to the elected invention. Further, the application is believed to be in condition for allowance since all remaining issues have been addressed.

For the reasons stated above, it is respectfully submitted that all of the pending claims are now in condition for allowance. Therefore, the issuance of a Notice of Allowance is believed in order, and courteously solicited.

If the Examiner believes that there are any matters which can be resolved by way of either a personal or telephone interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.
